GETTING HERE

Belize is conveniently located just 2 hours from many major U.S. cities and offers affordable airfare. Tanager Rainforest Lodge invites you to explore the heart of Toledo, a region known for its authentic rainforest adventures, rich Maya culture, and unique off-the-beaten-path experiences.

The lodge is located in Big Falls Village, along the banks of the Rio Grande. There are two straightforward ways to reach us: either take a short domestic flight from Philip Goldson International Airport in Belize City to Punta Gorda Municipal Airport, then drive for 30 minutes to the property, or enjoy a scenic 4-5-hour drive from Belize City. Given our location in the rainforest, we recommend reaching out for guidance on your arrival. Planning a vacation can be complex, and we are here to assist you every step of the way.

BIRDING TOURS

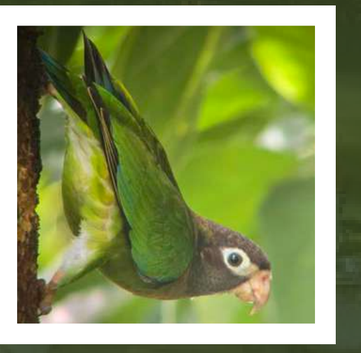

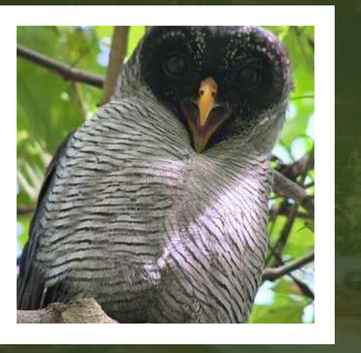

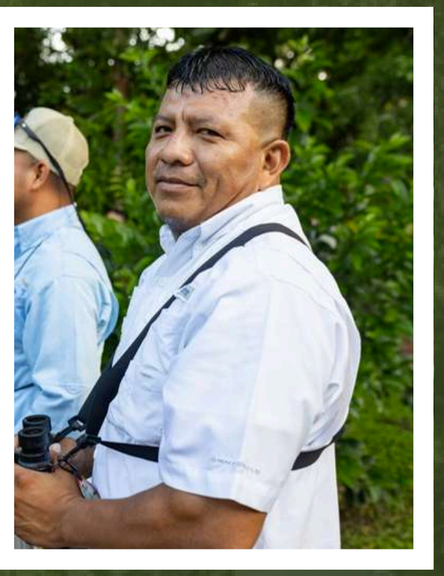

Over 200 bird species can be found right on the lodge grounds and the surrounding district, making it a true birding paradise in the heart of Toledo's rainforest.

Guided tours are led by resident expert Steve Choco, an experienced local guide who tailors walks to your pace, fitness level, and target species.
